

## Themed Practicum

# What are the TIERS about?

**A workshop for discussing the complexity of the Child and Adolescent Mental Health Services including the tiered structure of services**

**Tutor:** Jeannette Phillips

**Topic:** Child & Adolescent Mental Health Services      **Location:** Newcastle Centre

**Date:** Friday 27<sup>th</sup> October 2017      **Time:** 10.00am - 5.00pm

**Credit:** 6 hours can be counted towards students' Mental Health Placement

**Cost:** NG Members £110      Non-Members £130

## Child & Adolescent Mental Health Services

### An Overview of the Topic:

There will be opportunity to discuss and reflect on legislation affecting children and young people within the mental health service with case examples.

We will discuss pathways for a range of mental illnesses.

We'll look at assessment and treatment processes with case examples.

Lots of opportunity for questions from your own reading and mental health placements.
